# Benefits Of Exhibiting

✓ **Connect With The Right People**

Make valuable face-to-face connections with targeted buyers, suppliers, other business owners, and organizations. Timmins and the surrounding area are the most important Mining regions in Ontario.

✓ **Network With The Best**

Meet and connect with your peers. Exchange ideas, establish relationships and alliances. On the other hand, you can see what your competition is up to.

✓ **Showcase & Demonstrate Your Products**

Show off your latest innovations and promote what you have to offer. Sell your products to attendees who have come to see your best and latest offerings. You can demonstrate your products live at your booth. Customers want to **try-it-before-they buy-it**.

✓ **We Bring The Customers To You**

The Big Event was attended by over 6,000 delegates, and many of these people were the decision makers for their business. Studies show that a trade show has the lowest cost per customer acquisition of any marketing method. Even better, you get to meet these people face-to face for added impact.

✓ **Digital Marketing**

The Big Event has an ever expanding program of marketing to bring a targeted audience to your booth. We use LinkedIn, Facebook, YouTube, and other online methods.

✓ **Be Seen As An Industry Leader**

Being absent from the largest Mining Show in northern Ontario instantly makes you a non-player in the field and puts your competitors top of mind with customers.

**Each Exhibitor  
will receive a welcome  
package containing  
custom marketing assets.**

## **Additional Benefits**

### ✓ **Discount Codes**

To enhance your relationships with your existing and potential clients we provide each exhibitor with a **unique discount code** that will allow the attendee to have **free registration to the tradeshow** (savings of \$25) when they get their ticket online before the show dates. This discount code is provided to you as a graphic ready for posting on social media or emailing to your own list of contacts. By using your discount code you can stack the tradeshow audience to include people who will be interested in **your** products or services.

### ✓ **Job Board**

We are aware of the hiring challenges the industry is facing and to assist our clients we have dedicated a page on the event website where we can direct job seekers to exhibitors hiring via a link to their careers section on their websites. We do **extensive social media promotions to job seekers** and we allow them **free registration** to the tradeshow when they bring their resumes to drop off at your booth. We also post a list of companies who are hiring at the registration area to make it easier for them to find you. Let us know if you want to participate.

### ✓ **BIG Social**

This event was created to encourage **networking** between the exhibitors. The VIP social provides an informal gathering place for exhibitors to connect with members of the industry. Each exhibiting company is allowed 2 BIG Social passes.
